

# MAXIMIZE THE LIFE CYCLE OF YOUR MACHINES

**ELT** allows you to visualize the complete lifecycle of your machines to take preventive measures and reduce downtime. Through the use of configurable campaigns and control reports, and thanks to the issuance of alerts, you can reduce breakdowns.

## MONITOR YOUR MACHINES

- A** Connect your machines.
- B** Identify your equipment.
- C** Receive notifications about failures, breakdowns and maintenance.

**PREVENT POTENTIAL BREAKDOWNS YOURSELF**

**PLAN THE MAINTENANCE OF YOUR MACHINES**

**BOOST THE PERFORMANCE OF YOUR EQUIPMENT**

**MONITOR ONLINE**

**Reduce your carbon footprint and move towards sustainable production.**
